

Steve R Friend
Chairman
Carshalton Athletic

As Chairman of Carshalton Athletic, it gives me great pleasure to welcome you all here to Colston Avenue for today's Peter Osgood Benefit Match. For me, there would be no finer sight than to see the ground full to capacity for a showpiece occasion. It will be a fine stage for what promises to be a superb day. Carshalton Athletic is pleased to welcome an array of Chelsea F.C. players, past and present, as well as members of the cast of the famous Sky One Dream Team and many other celebrities who are renowned for their flair and entertainment attributes who have given their time to make this a successful day. Finally, I wish to extend my warmest thanks to my staff and officers as well as to Mark Westwood and his family for their hard work in organising and making this all possible.

“Enjoy the day”
