HARCHESTER PEN PICS

39. Jeff Stein (Ray McAllan). Recently banned by FIFA as an agent but a marriage of convenience to Nikki Peggs meant that they were able to look after the interests of up-and-coming striker Lee Presley.

Mark Hall. Left the club three seasons ago having joined the club from Spurs the popular right-winger returns as a guest today.

Steve Nichols. The former Sheffield United central-midfield player also returns today as a guest having left the club in 2001.

Eddie Dua. Youth team striker travelling for experience with the first team today.

John Whiteman. Midfield youth team player who is another travelling for the experience with the squad.

Andy Ansah - Coach. Former club player who progressed to the playing staff and is an influential player in the dressing room. Been at the club now for four seasons and has been instrumental in the clubs push for trophies.

Abi Fletcher (Rachel Brady) - Club Physiotherapist. Married to "Mr Harchester" Karl Fletcher but this season has had a well-publicised affair with Marcele Sabatier and had to deal with his subsequent death.

Nikki Peggs (Nina Muschallik). Experienced two seasons as Team Co-ordinator at the club before leaving to become a football agent and entered into a marriage of convenience with Jeff Stein.

Pilar Hernandez (Maren Fernandez). Former club Chief Executive who, having been famous for making the clubs record signing of Luke Davenport, ended the season in prison after being arrested in a match-fixing scandal and the murder of Marcele Sabatier.

Tash Parker (Angela Saunders). Daughter of agent Jeff Stein. Recently returned to Harchester having left following the death of husband and former Dragons goalkeeper Jamie Parker.
